On-Street Parking

We know that this is the holiday season and many out of town relatives will be visiting families during this time. Please remember to utilize all of the space in your driveways before parking on the road. There has been some improvement with the on-street parking, however, we still need for everyone to be mindful of the safety factor involved when cars are parked overnight or on a regular basis. The Board is still working with the county to establish no parking zones within our neighborhood. If you know of a dangerous parking situation near your home, please call any board member so that we may address this with the county police and DOT.

Safety First

If you drive in Butler Creek, you know there are often times children in our streets. Please slow down, and exercise caution. Parents, please make sure your children are wearing helmets when riding their bikes or scooters. Additionally, it has been brought to our attention that some older children are out when it is dark outside and are on the corners of or sometimes walking in the streets while wearing dark clothes. Please be mindful of this and make sure that you obey the speed limit of **25 MPH**.

Happy Holidays

At this time the Butler Creek Homeowners Board of Directors would like to wish everyone a very safe and happy holiday season.
