From the Board,

We are at this time asking for you to step up and become involved with your community. We need volunteers to join the Board for the 2012-2013 term. We need to hear from anyone interested in becoming a Board member before the winter holidays. If we do not have any (or enough) interest, we will be forced to search for a company to manage our neighborhood. This will involve an increase in our yearly HOA fees by approximately \$75.00 - \$100.00 per year, necessitating a vote by the Association. In order for all of that to happen before April 2012, we need to start now.

So please, if you are thinking about taking a turn and becoming involved with your community (by volunteering or by running for one of the many board positions), the time is now. You can express your intentions and interest by contacting any of the current board members individually or by emailing us on the website.

Thank you in advance to those who will answer this need and volunteer.

Adopt the pace of nature: her secret is patience.

Fall

Happy Fall ...

Reminders:

Parking Issues Continue (Please be considerate of your neighbors) by NOT:

- parking in the wrong direction (this is also illegal)
- double parking on both sides of the street. This is a safety hazard for drivers, walkers, police, EMS and fire department personnel.
- parking on the grass.
- parking anyplace that will create a hazard or dangerous situation.

And Our Pet's -- you love them but your neighbor doesn't have to...

- **Poop Station** – please pick up after your dog(s).
- **Do not allow your dog to poop on other people's lawn without picking it up. It doesn't get more disrespectful than this.**
