Welcome to Fall Butler Creek Neighbors!

It has been a chaotic year to say the least. I would like to thank residents for following the new rules of the shared community areas this past summer. We put those in place to protect our neighbors and the HOA, but still allow our residents to enjoy the amenities during a difficult summer of uncertainty.

New Residents

Speaking of residents, since the beginning of the year we have had quite a few new neighbors join our community. Please help us welcome them. If you are one of the new residents: Welcome from the board! If you have any questions please reach out to us. Our contact information and defining roles are located in the newsletter for your convenience.

Speeding and Reckless Driving

As always, please be mindful of your speed through the neighborhood and make sure your young drivers are being safe. There are more people walking the streets and children playing in the yards than in the past and their safety should be our driver's priority. Squawking tires and reckless driving in the pool parking lot should not be an issue, but it has been this summer. There are many residents who speed down Standing Peachtree Trail and make this a very dangerous situation at times. **THE SPEED LIMIT IN THE NEIGHBORHOOD IS 25 MPH!**

Yard of the Month Announcements

Our last few awards for yard of the month were awarded to:

- Hickson Household 2412 Caylor Hill
- Finkbiner Household 2420 Burnham Cove
- Bailey Household 2339 Standing Peachtree Court

Each household received a \$25 gift card for winning!

Yard of the month has ended for the year, but there are still holiday decoration awards for Halloween and Christmas. We look forward to seeing your festive spirit!

Logo Updates

As the board moves forward with maintaining and upgrading our neighborhood amenities we are looking at slowly updating the logo that is used for the community. We will start by changing the logo on the letter heads that we use and it will be finalized in a few years when the front entrance signs are upgraded. Below are two options that the board has chosen. Here is a link to vote for which design you prefer:
